Fr. Kevin's Reflection

Love God, Love Neighbor!

This weekend we celebrate the Seventh Sunday in Ordinary Time. The readings this weekend focus on loving God and loving Neighbor. The First reading from Leviticus focuses on Moses teaching the people to love your neighbor as yourself. In Paul's Letter to the Corinthian's, he reminds the community that they are God's temple and are to be holy and helpful. In today's Gospel of Matthew, we continue reading the Sermon on the Mount. Jesus calls his followers to be whole and complete. God cautions us to not take revenge or harbor grudges.

If we are dealing with a misunderstanding, holding a grudge with a family member, co-worker, classmate, fellow parishioner, priest (or bishop), let us, let go of the negativity. You know: Let Go, and Let God.

We are invited to remember our baptismal call and spread the light of Christ around us. Let us give "light" to those around us searching for God in their life.

NOTE: If you have any blessed items you no longer want to keep. There will be a box in the lobby of Holy Trinity and St Augustine Churches. This includes rosaries, Bibles, medals, prayer cards, palms, etc. Fr Kevin will be happy to properly take care of the items for you.

Pro-Life Answers to False Pro-Choice Arguments (Part 3)

"Every child a wanted child".

Prior to the legalization of abortion over 40 years ago, advocates for abortion held out the panacea of the elimination of "unwanted children" if only abortion was legal. In fact, it was Panned Parenthood, which led this charge, coining the familiar slogan, "Every child a wanted child". Despite the fact that some 57 million "unwanted" babies have died in the intervening period, the pro-choice lobby still uses this argument to justify abortion.

In the 1960' and 70's the pro-choice position was that legalizing abortion would drastically reduce child abuse. America legalized abortion and during the next 40 plus years, child abuse has skyrocketed (from 167,000 cases in 1973 to 1,694,756 cases in 2002). Yet, despite this staggering increase in child abuse, the pro-choice lobby continues to tie itself in knots by now arguing that making abortion illegal would cause an increase in child abuse!!! How many more millions of children do we have to kill before their scheme starts to work?

We all agree that every child should be wanted. This is an idealistic goal, be sadly we do not live in an idyllic world, Wouldn't it also be a wonderful world if there were no unwanted wives, no ageing unwanted parents, no unwanted Jews, black or Catholics or anyone else who is devalued or persecuted?

Moreover, since when does anyone's right to live depend upon someone else wanting them? Women rightfully resent that the value of a woman is sometimes determined by whether a man wants her. How can anyone possibly insist that the value of an unborn baby is to be determined by whether a mother wants him or her at any given time? To use being wanted by someone as a measure of whether a human life is allowed to live is a truly frightening concept. Its converse logically awaits us--- that the unwanted can be eliminated. Don't forget that Hitler's Germany was ideal for wanted Aryans. To make sense, the slogan: "Every child a wanted child" has to be completed" and if not wanted, aborted." To complete the sentence removes the mask from this misleading slogan and reveals it for the evil that is!
