*" The Advocate, the Holy Spirit who the Father will send in my name, will teach you everything and remind you of all that I told you." (John 14:26)*

The materialism of our society lure us to concentrate more on what we want than on what God wants for us. The relativism of our world tells us that we should be tolerant of all things, that there is no absolute truth. Pray to the Holy Spirit to transform our lives and to guide our thoughts, words and actions.

## Fr. Kevin's Reflection

Today we celebrate the Solemnity of Pentecost ~ the Birthday of the Church and the end of the Easter Season.

It was on Pentecost that the Lord's promised gift of the Holy Spirit was poured forth upon the Apostles and the Blessed Virgin Mary. It was on this day that the Spirit of Knowledge, Understanding, Wisdom, Piety, Fortitude, Counsel, and Fear of the Lord came upon them and filled them with a sense of mission to accomplish all that Christ had commanded them to do in His Name. That mission given to the Apostles on Pentecost continues to this day with all of us. There are a variety of ministries and apostolates available at our parishes and in our region. Good stewardship of the Lord's blessings involve gifts of our time and talent, along with our treasure. All three are important. All three are necessary. Our support and involvements in the Church are ways in which we carry out the Lord's command to "preach the Gospel to all people!" At the same time, our "doing" of the Gospel, helps us to grow in holiness. The Ascension of Jesus teaches us that WE ... are His hands ... His feet ... His voice ... and His love in the world today. And, Pentecost, celebrates the coming of the Holy Spirit into the life of the Church to make our "doing" of the Gospel possible. Let's all do our part. I would ask you to continue to consider your involvement in the life of the parish, and to decide what YOU can keep the parishes in the region vital.

You and I really are part of a beautiful, ancient and profound heritage of faith that has been passed down to us in the Catholic Church from Christ through the Apostles, continuing for over 2000 years. Today calls us to continue to do our part to build-up and preserve the heritage of faith that generations of Catholics here in South Dakota have left us since our parish was founded in the early 1900's. Let the verse from Psalm 69 come to life throughout our parish: "Zeal for Your house consumes me!"

Our share in the mission of the Church began with our own Baptism. Pope Francis has often challenged Catholics to "find out" the day of their Baptism and to keep it as a special day in your life - like your birthday (mine is the feast day of St. Clare of Assisi). With the feast of Pentecost, the beginning of the Church's mission, let's use this day to re-dedicate ourselves to the "part" of the mission Jesus has given each one of us to do. Let's remember the day of our own Baptism, thank God and our parents for the gift of faith we were given on that special day, and rededicate ourselves to being faithful and active followers of the Lord in our daily lives. You and I share in the mission of the Church ... so this day asks us to ask what we are doing: What are you doing for Jesus? What is your life saying for Him? What are you doing to further the mission of HIS Church? Make sure you do something to celebrate "our" birthday!

**Thank you** to everyone who helped with the annual cleaning at St Anthony. It is greatly appreciated!!
