Fr. Kevin's Reflection

The Eucharist that Christians celebrate really cannot adequately be described by the term "meal". True, the Lord established the new reality of Christian worship within the framework of a Jewish (Passover) meal, but it was precisely this new reality, not the meal as such, that He commanded us to repeat. Very soon the new reality was separated from its ancient context and found its proper and suitable form (a form already predetermined by the fact that the Eucharist refers back to the Cross and thus to the transformation of Temple sacrifice into worship of God that is in harmony with Jesus). So (for the Christian) the synagogue liturgy of the Word, renewed and deepened in a Christian way. It merged with the remembrance of Christ's death and Resurrection to become the "Eucharist", and precisely it was fidelity to the command "Do this" fulfilled. This new and all-encompassing form of worship could not be derived simply from the meal ... but had to be defined through the interconnection of Temple and synagogue (Word and sacrament, cosmos and history). It expresses itself in the very form that we discovered in the liturgical structure of the early churches in the world of Semitic Christianity. It also, of course, remained fundamental for Rome. I know ... I know ... these subtleties have been almost forgot to the average parishioner who comes to Mass ... but ... explains why we do what we do. When it comes to the worship of God ... we have to understand why we do what we do ... *and do it His way* (even how we stand around the church).

Today, Sunday, July 7th, really begins the assignment for myself. After my colon resection a year ago (which was as much of a surprise to me ... as to everyone else). Now that I am "on the mend," I am being called to serve in Woonsocket /Wessington Springs. Kindly keep me in your prayers as I continue my journey. Though I know I never can say "thank you" enough ... for all everyone has done for the parish, for the witness of faith, the allowing a newly ordained priest to begin to learn to fly ... for all who were there when I needed you ... THANK YOU!

In many ways, our "young pup", Fr. Schmidt ... and our neighbor to the east ... Fr. Smith ... are going through the exact same thing: a transition. They are leaving behind something that was very predictable and moving forward into the unpredictable. They both know that the changes they are making will require the grace that comes from God, Alone. Please, keep all of us in your prayers as we must take on the new flocks of the Lord, Jesus Christ.

Congratulations to **Tyler DeRouche** and **Kendyll Jones** who were joined in Holy Matrimony at St Anthony, Hoven on Saturday, June 29, 2019. May God bless their marriage union.

Anniversary Wishes to **Dave and Mary Rausch** as they celebrate their 50th Wedding Anniversary on Friday July 12, 2019.
