Word of Life

"We often assume parenthood happens easily after 'I do,' but for many married couples, it does not. For some, the joy of conception never happens. Others suffer repeated miscarriages. Still others experience secondary infertility; after giving birth to one or more children, they are unable to have another... If you experience difficulty bringing a child into your family, know that you are not alone. God is with you, and his Church desires to walk with you."

Just a bit from Fr. Schmidt

Introibo ad altare Dei, ad Deum qui laetificat iuventutem meam...

In the weeks and months ahead, we'll slowly be getting back to normal when it comes to our Sunday celebrations of the Eucharist. The first thing that I'd even like to start this weekend is to have altar servers again along with Mary's helpers in Hoven. I've never liked having to wait for the collection to be finished for the other gifts to be brought forward, so we may still be asking our ushers to keep doing what they've been doing these past couple months. We've been hearing from the Bishop that they are in the process of deciding when the dispensation from the Sunday Mass obligation will end, so stay tuned for any news on that front.

We do not expect to be able to host the annual Christmas on the Prairie concert in Hoven this year. Many of the singers are more advanced... in wisdom and experience, and a number of folks travel long distances and from out of state to attend, and the goal has always been to pack the pews quite full, so at least at this point it seems likely that we'll be taking this year off. Keep this loss of donations in mind as you consider your own gifts to the parish.

Each parish has had some maintenance expenses this year. The floor in the basement of Bowdle has been repaired and retiled. We're still looking to have work done on the bricks and steps on the front of the church, along with the windows repaired on that side. The geothermal pumps in Hoven received some repairs and the roof, exterior, and drainage seem to be an ever-ongoing project.

I've been very impressed with your generosity to the parishes and CFSA, even throughout this pandemic. Beyond financial support, there is not much that would be possible without the help, willingness, time, and energy of so many volunteers. Keep up the great work to ensure that our parishes and churches continue to be places of real encounter with the truth, beauty, and goodness of God.
